

Medicaid Expansion Provider Listening Session on August 19, 2019

The Idaho Department of Health and Welfare is inviting all interested providers and stakeholders to participate in a *Medicaid Expansion Provider Listening Session* focused on providers and continuity of care to be held 8/19/19; 1:30 – 3:00 PM Mountain Standard Time (MST). The listening session is an opportunity for providers and stakeholders to ask questions and to share input on these topics for the Department to consider as it implements Medicaid expansion.

The Department anticipates high interest and participation in this session. All questions and input will be recorded during the session and responded to after the session by adding new details to the Department's Medicaid expansion [website](#).

To attend in person, come to the main entrance of Idaho Medicaid at 3232 Elder Street, Boise, ID 83705. Please provide time to sign in and find a seat in conference room D-East. Parking is free.

To attend via WebEx, register for the WebEx here:

<https://idhw.webex.com/idhw/onstage/g.php?MTID=e70ae5ec6cb5fb4508b81ac4813cd2817>.

Stakeholders participating via WebEx and interested in providing input or asking questions will need to indicate through the WebEx chat function that they have a question or comment to share.

Because there will be other opportunities for sharing input on the waivers required in Senate Bill 1204 (which will be posted here - <https://medicaidexpansion.idaho.gov>) the Department will not be seeking input on those waivers during the August 19 listening session. This listening session will be for comments and questions specific to providers and continuity of care.

We look forward to your participation on August 19, 2019 from 1:30 to 3:00 MST.
